Room with a view

Our 112 rooms and suites get their character from natural materials, modern design classics and historical pictures from Åre. Most of the rooms and suites have a view of untouched mountain nature.

Standard features: LCD TV, fridge, tea and coffee maker, safe, hairdryer, iron, ironing board and wireless internet.

TIP! We offer free ski bus service between the hotel and the centre of Åre.

Dining

Niesti is our à la carte restaurant, that got its name from the Sámi word for picnic. Here you are served delicacies from Jämtland's vast expanses, wild and freshly caught or lovingly cultivated and prepared.

Coppermine Co is our rustic slope restaurant, offering skiers' lunches and pizza baked in a wood-fired oven.

Fireside Lounge & Bar transports you away from everyday cares. Curl up in a cosy armchair and enjoy the wonderful ambience, listen to the pianist and the crackling fire. Open day and night.

Conferences

Enjoy tranquility and peace, with magnificent views and direct access to skiing, activities and wilderness.

We have six conference rooms which can be used for meetings, seminars and private functions. The rooms have a total capacity of 450 people, with individual capacities varying from 10 to 350 seats, including all the necessary equipment and security arrangements.
