

Open since October 2006, Tamarina Golf Club is not only set in a stunning environment, but also offers a fun and challenging test of all golfing skills. Yes, it is long and demanding from the blacks...and well it should be. But the course was designed with a various of teeing positions. A lot of emphasis was placed on designing Tamarina Golf Club as a fair and enjoyable course from the whites in particular.

“A great golf course should be memorable. At Tamarina Golf Club, we are blessed with an amazingly beautiful and dramatic piece of ground.”
