LE DOMAINE DU MONT D'ARBOIS

At the foot of the Mont d'Arbois slopes – just a short distance from the ski lifts – experience classic Alpine charm in our winter-only Four Seasons retreat. Five minutes from the heart of Megève, these three traditional wooden chalets reflect the rich heritage of the Rothschild family, who established the town as the most refined ski destination a century ago. Enhance your stay with Michelin-starred dining at Prima restaurant, swimming in our indoor-outdoor pool and organic Bamford spa treatments. Discover this new sister property to Four Seasons Hotel Megève.
