Welcome to a place like no other. Favored by artists and authors. A fisherman's paradise. Fabulous year-round tropical climate. America's southernmost city - Key West.

Located just 500 yards offshore from Key West lies a secluded 27-acre island once home to the U.S. Navy. One-third of the island is a resort - Sunset Key Guest Cottages, A Westin Resort - and the remaining two-thirds of the island are reserved for one of the most prestigious residential communities in Key West. Sunset Key is a pedestrian-only island (no cars are permitted) and transportation to and from Sunset Key is aboard a 24-hour launch service which docks at The Westin Key West Resort & Marina.
