DINING & ENTERTAINMENT

CENIZA: Inspired to take traditional wood-fired cooking techniques to new heights, Chef Baltazar found the perfect name in Ceniza, the Spanish word for ash. Under a palm-thatched palapa, you'll be enchanted with Ceniza's open-air, candlelit ambiance and enticed by a menu crafted daily from the wide array of ingredients sustainably sourced by the chef from our surrounding region.

HAO: On the beach. By the pool. Or at the restaurant. The choice is yours at Hao, where a dynamic, all-day menu — and seasonal cocktails handcrafted with fresh local ingredients — perfectly complements the sun, sand and surf of Playa La Ropa.
