

A luxury gulet sailboat is shown from a deck-level perspective at dusk. The boat features a large circular hot tub with a glowing blue interior light, white cushioned seating, and red upholstered loungers. The rigging and masts of the sailboat are visible against a deep blue twilight sky. In the background, the calm water reflects the distant lights of a coastal town.

Discover

the beautiful wonders of Croatia,

Enjoy

the top service on our luxurious gulet,

Experience

the wide range of activities we offer.

Gulet Croatia is a 32 meter classically designed gulet from mahogany and teak, with 7 luxurious double cabins (for 14 guests). An ideal, fully equipped Luxury Gulet for sailing in Croatia. On the bow there is plenty of space for sunbathing and on the stern there is a large area to accommodate the dining table. This, like the sun deck, can be covered by tent and is an ideal place to relax and enjoy the tasty Mediterranean food prepared by our talented chef. Gulet offers a variety of recreational activities as well, our equipment includes a speedboat, jet-ski, full set of water-skiing equipment, kayak, etc.

Let our skilful crew be in charge of organization and performance of the unforgettable adventure.

We have experience in a wide spectrum of clients and purposes: from satisfied private clients (from the USA, Great Britain, Australia, Switzerland, Norway, Sweden, Spain, France, South America), large international events like World Cigar Smoking Championship (which was held on the gulet), to very specific cruises such as promotional shootings done by renowned outdoor photographer Klaus Fengler.

Please read through all we offer,
and don't hesitate to contact us at
any time for additional information!
